WVCW 820

VIRGINIA COMMONWEALTH UNIVERSITY 1838

On behalf of the staff and members of WVCW, the student radio station of VCU, I would like to extend my warmest welcome to you. Our station can be found at 820 on your AM dial, provided you are in a dorm when you tune us in (the rest of the area is not fortunate enough to be able to hear us). We invite you to tune us in. We plan to broadcast 24 hours a day this year if possible, however, in the meantime our broadcast hours are 7 am to 2 am.

We have the distinction of bing the first Progressive Station in the area, and in keeping with this image, we have special shows which we plan to put in a soon-to-be-distributed schedule. The special shows planned so far include classical music, jazz, bluegrass, and starting this year for the first time, radio programs from the 40's and 50's. We will also continue our top-forty, oldies and disco shows as well as the good old progressive music we're known for. If at anytime, however, you have something in mind that you would like to hear, feel free to call us at extension 7370 or 6077. We have a reputation for playing requests almost immediately and plan to keep it that way.

Our offices are located on the third floor of 916 West Franklin St. and you are more than welcome to stop by and meet us. We also welcome applicants interested in news, programming, production, sales, and
